

Crystalens®

May 14, 2010

Dear Dr. Weinstock,

This year, we are celebrating two big milestones: 10 years and over 200,000 Crystalens implants.

You should be proud to know that you are one of only thirteen surgeons in the world who have implanted 1,000 or more Crystalens. To honor your achievement, you're being inducted into an elite team of surgeons known as the Crystalens Millennium Society. I have enclosed a personalized plaque for you to display in your practice.

We owe a great deal of Crystalens success to you. I want to express my appreciation for your continued support of Crystalens. Thank you.

Warm regards,

J. Andy Corley
Corporate Vice President and Global President,
