Information Regarding Medical Record Requests

We will ask that you sign an authorization to release medical records, in accordance with our Notice of Privacy Practices.

In accordance with the standards set by HIPAA, we respectfully request that you allow us 30 days to process your record release request. If your record is stored off site, we request up to 60 days to process your requests. In most cases, we will more than likely be able to complete your request in less time, generally 7 – 10 business days.

Note that under the Health Insurance Portability and Accountability Act (HIPAA) a covered entity can only charge “reasonable” cost-based fees for providing the medical records to patients. See 45 CFR 164.524(c). Per Rule 64B8-10.003, Florida Administrative Code we may charge:

- No more than \$1.00 per page for the first 25 pages of written material
- \$.25 for each additional page
- Actual cost of reproducing non-written records such as x-rays, color copies or photos, etc.

There is NO CHARGE for a patient whose records are copied if it is necessary for the continuation of medical care. This can be demonstrated by having the records sent directly (via USPS or fax) to the treating physician or facility.

We reserve the right to withhold the requested information until payment of the reasonable fee is received as stated in our Notice of Privacy Practices.
